

**2411 Old Crow Canyon Road – Suite G
San Ramon, California 94583
925-831-9050**

For the first time, San Ramon Sports is offering advertising opportunities to individuals and business owners in our community. The indoor facility has recently been remodeled, and offers two, state-of-the-art indoor soccer fields, four ATEC batting cages, a snack bar, private party room, and video games. Throughout a typical year approximately 1,000 soccer teams participate in our youth and adult league play. This translates into over 40,000 visits each month by our members and their family/friends. In addition, we estimate at least 10,000 other visits to our facility for baseball, birthday parties, and corporate events each year.

Now you have the unique opportunity to expose them to your advertising message for as little as \$75 per month. Promote your company or business with a professional display that will be viewed by thousands of sports enthusiasts!

Currently advertising space is available on the interior walls of our two soccer fields. With your company logo and business info, we will professionally create and install signage that will adhere to the interior walls or glass of our soccer arenas. Each ad will be ideally located in view of all players and fans.

Ad spaces are sold in 7' x 3' spaces. Discounts are available for multiple ad spots.

Gold Locations: **Limited space available** - Mid-field, below scoreboard & above the goals.

Silver Locations: Panels near the side of goals to near mid-field.

Bronze Locations: Smaller field only, some can only be seen by the players on the field.
